Raduń settlement

Why is it worth buying the parcel?

It is a recreational and touristic settlement with obliged local plan of special development of Choszczno Community. Raduń settlement is located about 5 km from Choszczno and nearby the route Choszczno - Bierzwnik. The settlement is situated on terminal moraine which is covered with forests with plenty of ground cover and game, there are rural areas as well. And there are plenty of lakes with clean water rich of flora and fauna. The closest lakes are Raduń Lake and Korytowo Lake. All these things do Raduń settlement the best place to rest far away from city rush and noise.

Nowadays in Raduń settlement there are some relics such as: medieval church from the 13th/14th century or cemetery gate from the 16th century.

„Modry Las” 18 - hole golf course is unarguably one of the biggest advantages of this place where every year there are held international tournaments (www.modrylas.pl).
